

ZHENG Xiaoyong and French ESMA CEO signed the cooperation MOU

Published Date: 11- 25 14:26

In the morning of Nov 25th, our President Mr ZHENG Xiaoyong and French ESMA Aviation Academy CEO Mr Jean DURAND signed the cooperation MOU in the meeting room on the second floor of CAFUC GUIYUAN Hotel. CAFUC Vice President Mr GUAN Lixin, China Aviation Supplies Holding Company President Mr LI Hai, China Aviation Supplies Southwest General Manager Mr ZHANG Jun, CAFUC International Cooperation Department Deputy Director Mr GONG Junyu and CAFUC Financial Department Deputy Director Mr QING Kang etc are attended this signature ceremony. Before the ceremony, two parties have introduced each situation and conducted in-depth consultations and discussions to the detailed content of MOU.

Mr Jean DURAND introduced the situation of French ESMA Aviation Academy: ESMA Aviation Academy was created in 1988 with its aim to train different kinds of aviation industry professionals. It offers Ab Initio pilot training under CAAC, JAA and CAAV regulations. It can also offer training of cabin crew, of maintenance, of airport ground staffs and continued professional training.

On the 16th of October 2008, ESMA Aviation Academy officially obtained the homologation of Ab Initio Airline Pilot Training in Montpellier Training Centre by CAAC.

ESMA Aviation Academy has two training centres: Montpellier and Paris. It provides its pilot training by using the Diamond, TB20 Socata Trinidad 、 PA34 Piper Seneca V aircraft. Its pilot training capacity is 200 cadets per year.

Mr Jean DURAND expressed: ESMA training strategy is to make ESMA the first European aviation academy, dedicated to airline services and appropriate to the quality and requirement standards of major aircraft manufacturers.

Mr GUAN Lixin introduced the situation of our school and he said: CAFUC is the biggest full-time flight school in the world and has greater influence on the worldly civil aviation sector. It is known as the 'Cradle' for Chinese civil aviation pilots and the 'Whampoa' for the Chinese civil aviation management cadre. Our school covers an area of 16 000 acres; now has five airports equipped with 236 aircraft in 14 kinds including Citations, Cheyenne, New Boat 600, Simon Noel, TB, Cessna -172 and so on, and 35 simulators and trainers including Boeing 737-300, 800, Airbus A320 etc Full Flight Simulators. The yearly flight hours are more than 200 000. As a comprehensive aviation university, our school has several major aviation disciplines: pilot, air traffic control, maintenance, cabin crew, in total 9 second colleges.

After hearing the introduction of our school, Mr Jean DURAND exclaimed: this CAFUC trip makes me open my eyes. In the meantime, he said: although the training scale and ability of ESMA is far inferior to

CAFUC, he would like to, with ESMA professionalism, realize the mutual cooperation and mutual integration with CAFUC in order to do together bigger and better for the pilot training and also other relating areas.

Mr ZHENG Xiaoyong and ESMA carried out the carding and consultation one by one for the detailed contents of MOU and finally they reached a consensus: two parties agree to cooperate in the pilot training, maintenance training, cabin crew training, aviation study and research and other training; two parties agree to discuss the possibilities for setting up together a joint flight training centre in China and so on.

Mr ZHENG Xiaoyao has repeatedly stressed - the integrity and the training quality are the cornerstone of bilateral cooperation. He hopes that ESMA could, with its high-quality training services, promote the sustainable cooperation with CAFUC and contribute to Chinese civil aviation education together.
